

EEO-1 Disclosure

The data in the table is from our EEO1 Component 1 Report (EEO-1 Report), and reflects U.S. demographics as of December 18-31, 2022. The EEO-1 Report mandates the use of specific job categories, which differ from how our workforce is structured. While we are making data from our EEO-1 Report available, we believe our Sustainability Report more accurately speaks to our current representation data, progress, and aspirations to support inclusion and diversity globally.
