**1. ACCEPTANCE AND TERMS AND CONDITIONS:** (a) Seller accepts this Order and any amendments thereto by signing the acceptance copy and returning it to HTIC promptly. Performance of the work called for by this Order, under any circumstances, including in the absence of Seller's written acknowledgment, shall be deemed acceptance of this Order. (b) By acceptance of this Order, Seller agrees to be bound by, and to comply with all the terms and conditions of this Order, including any supplements and all specifications and other documents herein referenced. (c) This Order does not constitute an acceptance by HTIC of any offer to sell, quotation, or proposal. Reference in this Order to any such offer to sell, quotation, or proposal shall not constitute a modification of any of the terms and conditions of this Order. **ANY ATTEMPTED ACKNOWLEDGMENT OF THIS ORDER CONTAINING TERMS AND CONDITIONS INCONSISTENT WITH OR IN ADDITION TO THE TERMS AND CONDITIONS OF THIS ORDER IS NOT BINDING UPON HTIC UNLESS SPECIFICALLY ACCEPTED BY HTIC IN WRITING, which under this Order shall not include email, AND HTIC HEREBY REJECTS SUCH PROPOSED MODIFICATIONS.** (d) Any acceptance, approval and/or payment made by HTIC in connection with work hereunder shall not relieve Seller of the responsibility for completeness, timeliness, accuracy, fitness and quality of performance.

**2. PRICES and PAYMENT:**

**2.1** All prices are firm and shall not be subject to change. Seller's price includes all payroll, occupational, and value added taxes not recoverable by HTIC, as well as any other taxes, fees and/or duties applicable to the goods and/or services purchased under this Order; provided, however, that Seller must separately identify on Seller's invoice any state and local sales, use, excise and/or privilege taxes, if applicable, will not include such taxes in Seller's price. If Seller charges HTIC with any value added or similar tax, Seller shall ensure such taxes are invoiced to HTIC in accordance with applicable rules so as to allow HTIC to reclaim such value-added and/or similar tax from appropriate government authorities. Neither party is responsible for taxes on the other party's income or the income of the other party's personnel or subcontractors. If no firm or other price appears, no payment in excess of any monetary limitation appearing on the face of the Order shall be permitted without the prior written approval of HTIC. Pricing shall not be adjusted without prior written approval of HTIC. No extra charges of any kind will be permitted pursuant to this Order unless specifically agreed to in writing by HTIC.

**2.2** Payment terms are stated on the face of the Purchase Order. Unless otherwise stated on the face of this Order, payment terms are due net one hundred and twenty (120) days from the Payment Start Date. The Payment Start Date is the later of 1) the delivery date identified on the Order, (2) the received date of the goods and/or services in HTIC's receiving system or (3) the date of receipt of valid invoice by HTIC. Seller's invoice shall in all cases bear HTIC's Order number. HTIC shall be entitled to reject any invoices failing to note HTIC's Order number or that are otherwise inaccurate. Any resulting delay in payment shall be Seller's responsibility. Seller warrants it is authorized to receive payment in the currency stated in this Order.

**2.3** Seller agrees it shall ensure that HTIC receives the status of a most-favored customer with respect to matters of pricing for services sold hereunder. If Seller agrees to more favorable terms to any of its other customers at the time of negotiations, or during the term of this Agreement, Seller will, within thirty (30) calendar days, notify HTIC in writing and ensure HTIC receives these more favorable pricing terms for all Services provided hereunder retroactive to the date of such offer - and for so long as those terms are offered to other customers. Upon such notice, this Agreement will be deemed by all parties to have been amended to incorporate all such favorable changes - excepting any changes as may be rejected in writing by HTIC. Seller agrees to provide HTIC with certification of compliance with this clause, completed by an authorized Seller official, upon request by HTIC.

**3. DEFAULT:** Time is of the essence with this Order. Except in instances of delay due to causes beyond the reasonable control and without the fault or negligence of Seller or its suppliers, direct and indirect at every subcontract level, HTIC may by written notice of default to Seller (a) terminate the whole or any part of this Order if: (1) Seller fails to perform within the time specified herein or any extension thereof; or (2) Seller fails to perform any other provisions of this Order or instructions of HTIC, or fails to make progress as to endanger performance of this Order in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of ten (10) days or longer period as HTIC may authorize in writing after receipt of notice from HTIC specifying such failure; and (b) procure, upon such terms as it shall deem appropriate, supplies or services similar to those so terminated. Seller shall continue performance of this Order to the extent not terminated and shall be liable to HTIC for any excess costs for such similar supplies or services. If it is determined that HTIC has improperly terminated this Order for default, such termination shall be deemed to be a Termination for Convenience. As an alternate remedy, and in lieu of termination for default, HTIC, at its sole discretion, may elect (1) to extend the delivery schedule and/or (2) to waive other deficiencies in Seller's performance, in which case an equitable reduction in the purchase price shall be negotiated. In the event Seller for any reason anticipates difficulty in complying with the required delivery date, or in meeting any other requirements of this Order, Seller shall promptly notify HTIC in writing. If Seller does not comply with HTIC's delivery schedule, HTIC may require delivery by fastest way and resulting charges resulting must be fully prepaid and absorbed by the Seller. The rights and remedies of HTIC provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Order.

**4. TERMINATION FOR CONVENIENCE:** HTIC may terminate all or any part of this Order at any time by written notice to Seller. Upon termination, HTIC and Seller shall negotiate termination charges that will compensate Seller for costs reasonably incurred prior to the date of termination, including profit of such costs, which will be identified by Seller within 30 days of termination.

**5. WARRANTIES:** (a) Seller warrants that all goods and services sold hereunder or pursuant hereto will be free of any claim of any nature by any third person and that Seller will convey clear title thereto to HTIC as provided hereunder. (b) Seller warrants and represents that all goods sold hereunder or pursuant hereto will be of merchantable quality, free from all defects in design, workmanship and materials, and will be fit for the particular purposes for which they are purchased and that the goods are provided in strict accordance with the specifications, samples, drawings, designs or other requirements (including performance specifications) approved or adopted by HTIC. (c) Any attempt by Seller to limit, disclaim, or restrict any such warranties or remedies of HTIC, by acknowledgment or otherwise, in accepting or performing this Order, shall be null, void, and ineffective without HTIC's written consent.

**6. REJECTIONS:** If any of the goods Ordered are found at any time to be defective in material or workmanship, or otherwise not in conformity with the requirements of this Order, including any applicable drawings and specifications, HTIC, in addition to such other rights it may have by contract or by law, at its option and sole discretion may: (a) reject and return such goods at Seller's expense; (b) require Seller to inspect the goods and remove and replace non-conforming goods with goods that conform to this Order. If HTIC elects option (a) above, freight collect and risk of loss will be passed to Seller upon HTIC's delivery to the common carrier. If HTIC elects option (b) above and Seller fails to promptly make the necessary inspection, removal and replacement, HTIC may at its option inspect and sort the goods; Seller shall pay the cost thereof.

**7. HTIC'S PROPERTY:** (a) Except as provided in Paragraph (b) below, unless otherwise agreed in writing, all tools, equipment or material of every description furnished to Seller by HTIC or specially paid for by HTIC, and any replacement thereof, or any materials affixed or attached thereto, shall be and remain the personal property of HTIC. Such property, and whenever practical each individual item thereof, shall be plainly marked or otherwise adequately identified by Seller as "Property of GE HealthCare" and shall be safely stored separate and apart from Seller's property. Seller shall not substitute any property for HTIC's property and shall not use such property except in filling HTIC's Orders. Such property while in Seller's custody or control shall be held at Seller's risk, shall be kept insured by Seller at Seller's expense in an amount equal to the replacement cost with loss payable to HTIC and shall be subject to removal at HTIC's written request, in which event Seller shall prepare such property for shipment and shall redeliver to HTIC in the same condition as originally received by Seller, reasonable wear and tear excepted, all at Seller's expense. (b) With respect to property furnished to Seller by the U.S. Government, the Government has the right to authorize use of such property on other Government contracts. HTIC's property shall further include HTIC's software, technical data, know-how and any intellectual property rights that may be provided to the Seller pursuant to the execution of this Order, which property is to be returned to HTIC at the termination (by reason of completion or otherwise) of this Order. All samples, if any, supplied by HTIC to the Seller must be used only for the purpose of this Order and for no other purpose. The Seller shall not reverse-engineer, deconstruct or chemically analyze the composition of the samples without express written permission of HTIC. Upon completion of the Order, the Seller shall return or certify the destruction of all samples, including scrap, to HTIC upon written request.

**8. CHANGES:** HTIC may at any time, in writing, make changes within General scope of this Order, in any one or more of the following: 1. drawings, designs, or specification where the goods to be furnished are to be specially manufactured for HTIC in accordance therewith; 2. method of shipment or packing; 3. place of delivery; and 4. the amount of Government-furnished property. If any such change causes an increase or decrease in the cost of, or the time required for the performance of, any work under contract, whether or not modified, an equitable adjustment shall be made in the contract price and/or delivery schedule, and the Order shall be modified in writing accordingly. Any claim by Seller for adjustment under this clause must be asserted within thirty (30) days from the date of receipt by Seller of the notification of change; provided, however, that HTIC, if it so chooses, may receive and act upon any such claim asserted at any time prior to final payment under this contract. Any change in this Order shall be authorized only by a duly executed Order Amendment hereto.

**9. NON-ASSIGNMENT:** Assignment of this Order or any interest herein without written consent of HTIC shall be void.

If specific HTIC tests, inspections or witness points ("inspection points") are included in this Order, the goods shall not be shipped without an inspector's release or written waiver of inspection with respect to each such point; and Seller shall notify HTIC in writing at least twenty (20) days prior to each of Seller's scheduled final and intermediate inspection points. All inspections and tests on the premises of Seller or its supplier shall be performed in such a manner as not to unduly delay the work. HTIC's final acceptance or rejection of the goods shall be made as promptly as practical after delivery, except as otherwise provided in this Order, but failure to (a) inspect and accept, (b) reject goods, or (c) failure to detect defects by inspection, shall neither relieve Seller from responsibility for goods not in accordance with Order requirements nor impose liabilities on HTIC. Seller shall provide and maintain an inspection and process control system acceptable to HTIC and its Customer covering the goods hereunder. Records of all inspection work by Seller shall be kept complete and available to HTIC and its Customer during the performance of this Order and for such longer periods as may be specified in this Order.

32. PRIVACY AND PERSONAL DATA. To the extent Supplier or any Supplier Personnel or Subcontractors will (or are anticipated to be likely to) Process any Personal Data, Supplier shall comply with the GE HealthCare Privacy and Data Protection Appendix ("PDPA") located at <https://www.gehealthcare.com/about/suppliers/terms-and-conditions>. The capitalized terms set forth in this Section 32 that are not otherwise defined in this Order shall have the meanings ascribed to them in the PDPA. In the event of any inconsistency of such defined terms, the definitions set forth in the PDPA shall govern and control for purposes of interpretation of the subject matter covered thereby. Failure to comply with this Section 32 shall constitute a material breach of this Order. Seller shall comply with all applicable laws relating to the use, dissemination and disclosure of individually identifiable health information, and shall not transfer to GEHC any data that have not been de-identified within the meaning of the Federal Privacy rule 45 C.F.R. § 164.514.

33. DATA AND IT SECURITY. Supplier agrees that (a) Processing of Buyer's or its Affiliates' Confidential Information; (b) access to GEHC's Information Systems, or (c) the provision of certain services to Buyer or its Affiliates shall be subject to the organizational, technical and physical controls and other safeguards set out in the 3PS Requirements Document. The capitalized terms set forth in this Section 33 that are not otherwise defined in this Order shall have the meanings ascribed to them in the 3PS Requirements Document. In the event of any inconsistency of such defined terms, the definitions set forth in the 3PS Requirements Document shall govern and control for purposes of interpretation of the subject matter covered thereby. Failure to comply with this Section 33 shall constitute a material breach of this Order.

(a) Remediation of IT Security Issues. Supplier understands and agrees that security and risk issues may be revealed and identified during Buyer's on-boarding processes or during performance of this Order. With respect to any such critical or high-risk security issues that are identified by Buyer and reported to Supplier's IT security department, if those issues are not remediated prior to Buyer's release of this Order, Supplier shall submit a documented remediation plan for review and approval by Buyer. Such remediation plan shall be subject to acceptance and approval by Buyer. Supplier's failure to submit said remediation plan, or failure to execute on an approved remediation plan shall constitute a material breach by Supplier of this Order. In the event of such breach, Buyer shall be entitled to terminate this Order without penalty or liability to Supplier, and to exercise any other applicable rights and remedies available under the Order, in law, and in equity.

(b) Security Incident. Supplier shall notify Buyer without undue delay and no later than within 48 hours after discovery, or sooner if required by applicable Law, of any event in which Buyer's or its Affiliates' Confidential Information is or is suspected to have been lost, stolen, improperly altered, improperly destroyed, used for a purpose not permitted under this Order, or accessed by any person other than Supplier personnel pursuant to this Order ("Security Incident") experienced by Supplier or its sub-processors. Supplier shall report Security Incidents to Buyer's Cyber Incident Response Team at 3PS.GEHCSECURITY@gehealthcare.com. Supplier shall cooperate with Buyer in its investigation of a Security Incident and provide Buyer a detailed description of the Security Incident, the type of data that was the subject of the Security Incident, the identity of each affected person, and any other information Buyer reasonably requests, as soon as such information can be collected or otherwise becomes available. Unless prohibited by Law, Supplier shall provide Buyer reasonable notice of, and the opportunity to comment on and approve, the content of any notice related to a Security Incident prior to publication or communication to any third party, except Buyer shall not have the right to reject content in a security notice that must be included to comply with applicable Law. Should Buyer elect to send a security notice regarding a Security Incident, Supplier shall provide reasonable and timely information relating to the content and distribution of that security notice as permitted by applicable Law or regulation pursuant to the security notice. Other than approved security notices, or to law enforcement or as otherwise required by Law, Supplier may not make any public statements concerning Buyer's involvement with a Security Incident to any third-party without explicit written authorization of Buyer's Legal Department.

(c) Audits. Buyer reserves the right to conduct an audit, upon 30 days advance notice, of Supplier's compliance with the requirements in the 3PS Requirements Document, including but not limited to: (i) review of the Supplier's applicable policies, processes, and procedures, (ii) review of the results of Supplier's most recent vulnerability assessment and accompanying remediation plans, and (iii) on-site assessments during regular business hours of Supplier's physical security arrangements and Supplier Information Systems. Buyer reserves the right to conduct an application vulnerability assessment if Supplier's vulnerability assessments do not meet or exceed Buyer's application security requirements. This right shall survive termination or expiration of this Order so long as Supplier Processes Buyer's or its Affiliates' Confidential Information. Subject to the confidentiality provisions of this Order, Buyer or its representative may review, audit, monitor, intercept, access, and disclose any information provided by Supplier that is processed or stored on GEHC Information Systems or on GEHC Mobile Devices accessing the Buyer's network.
